Dear Grant,

Thanks very much once again for your participation in "White Shark Attack: A True Story." Everyone at CineNova enjoyed working with you in Cape Town in February. It was a great shoot, and very professional in large part due to your work.

Enclosed, please find a complimentary copy of the film for your own use. This show premiered on Discovery during Shark Week this August, 2002, and will air in Europe on Channel 4 in the near future.

Again, thanks very much.

Sincerely yours,

**Lynn van Rooyen**
